CLUB

JAHRHUNDERTHALLE

The myticket Jahrhunderthalle Club is now located where artists' contracts used to be signed and arrangements were once made over good wine and cigar smoke. The club's almost 520 m² leave nothing to be desired. It is completely self-contained and can be used independently of the Kuppelsaal. The adjoining 60s bar takes you back to the exciting times of the 'Swinging Sixties'. You can have a drink here, where Frank Sinatra once sipped his gin.

In front of the stage, there are almost 450 seats offering the best view, or optionally standing room for 600 guests for special, intense evenings. The wood-panelled walls, original ceiling panels, and handmade Höchst porcelain inserts create an ambience that is unparalleled in Frankfurt and far beyond. Unique and in original 60s style — cosy and very intimate — you can feel right at home here. The club offers a harmonious setting for bar evenings, lounge concerts, children's theatre, stand-up comedy, or even burlesque. You can still live and breathe history here.

Centrally located in the Rhine-Main area, the myticket Jahrhunderthalle is excellently connected. Just 12 minutes from the airport and 15 minutes from the main railway station, it is easily accessible by both public transport and car. The separate car park offers sufficient parking spaces for visitors and stage deliveries.
